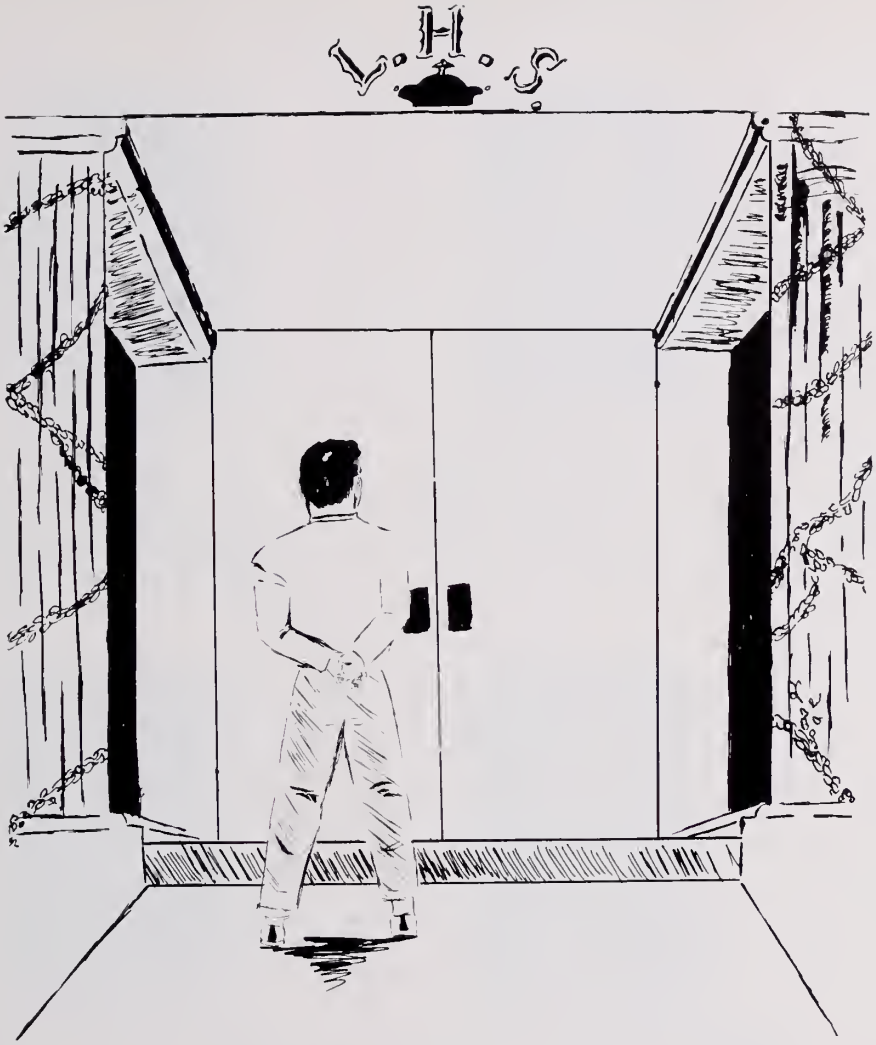
# DEDICATION

To one whose patience and understanding have helped all the members of the '56-'57 graduating body; to one who for many years has guided the aspiring young librarians of L.H.S. and has supported and directed the Library Club, to one who has helped keep the SCARLETTER on its feet; to one who has, along with her husband, helped make Senior trips to Washington memorable occasions; to one whom we will always remember, we dedicate this our Crystal to Eliza M. McHenry.



# FOREWORD

One can sense a newcomer by the way he stands, gazing at the entrances to the memorable halls of Lexington High School. Soon he learns to step in proudly, while a hapless youth holds the door.

Doors play a large part in the academic life of an "LHS'er." Early in the morning half of the student body tries to crowd in the supply store to buy necessary paper, shorthand tablets, pencils, compasses, etc. Pupils who were out too late the night before stand outside the door of their classes trying to refresh their tired minds.

Everyone holds in special esteem one door--that of the cafeteria. Evidence of this devotion is found in the noon race to the lower floor. To those who have been too energetic in their display of this sentiment a summons to cross into the inner sanctum of Mr. Whitmore can hold real terror. For others it is an invitation to gain needed guidance and advice.

Whatever the word "doors" means to you, this 1957 CRYSTAL staff wishes to leave with you this one thought: The stepping across LHS's portals for the last time symbolizes the threshold of adulthood.

BETTY LOUISE AGNOR

FHA Reporter 1, Songleader 2, Historian 3, Treasurer 4; Glee Club 1; Monogram Club, Sec.-Treas. 2,3, President 4; Cheerleader 3,4, Head Cheerleader.

"I won't dance--don't ask me!" That is something you have never heard Aggie say, and as long as she keeps her bubbling, fun-loving personality, you never will hear it. She was an energetic and capable head cheerleader and always on hand to cheer up anyone who was downhearted. Vibrant and gay, Aggie will continue dancing her way through life.

GLORIA LEE ALPHIN

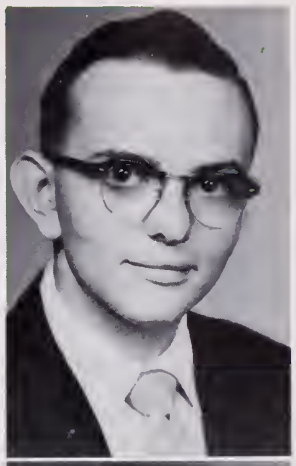
Library Club 1,2,3,4, Treasurer 3; Latin Club 1,2,4; Crystal Staff 4; Chemistry 3,4; Honor Court 4.

Who is the girl the Seniors always go to when they need a pianist? None other than Gloria, who is always ready to tickle the ivory keys. When wanting to spell a word or to know a Latin derivative, you could always count on Gloria to help you. A friend of students and teachers, Gloria has proved herself both in studies and school activities. L.H.S. will certainly loose a wonderful student, but we are sure that Madison will gain by her presence.

RONALD MILTON AYERS

Football 1,2,3,4; Baseball 1; Library Club 1,4; Crafts Club 2.

Ronnie would be a welcome student in any school. He is friendly to all he meets and he has a keen sense of humor. He has been on the football squad for four years and he is a great help on the team this year. He enjoys all the sports and those he does not participate in he becomes an avid spectator in. After his graduation this year, he expects to go to National Business College in Roanoke, Virginia. So-long to a kid's that's loads of fun.



NANCY MARIE BALLARD

No, this is no new girl. This is Nancy Ballard who has returned to Lexington after one year of absence. If you ever hear a girl singing in the halls, you know it is Nancy. Nancy, who greets everyone with a "hi" or "good morning" will always be remembered at L.H.S. for her sweet disposition and smiling face. Good luck, Nancy, to anything you attempt to do in the future.

ELAINE VIRGINIA BANE

FHA 1,2,3, Reporter 4; Crystal Staff 4; Latin Club 1,2; Scarletter Staff 4.

If you happen to pass a certain door and hear someone reading shorthand at 50 m.p.h. you will know that someone is none other than Elaine. Besides being active in school, she has a very pleasing personality and is liked by all her classmates. Whatever your plans may be, Elaine, we wish you the best of luck.

TOBY ANN BANE

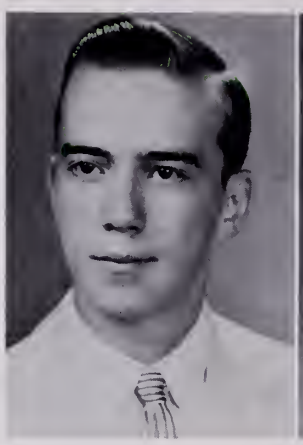
Latin Club 1; Library Club 3;

Toby is a short and sweet girl. Her jest has brightened many a day at Lexington High School. She has won a place in the hearts of many students since she came here in 1953. If you ever need some information about the Navy, she will be willing to oblige. Toby, we know we will miss you as we ascend the stairways of the future, but here are our wishes for happiness and success in anything you may undertake.

SHELDAN BARNES

Crafts Club 2, Library Club 4, Track 3 & 4

Sheldan Barnes came to Lexington High School three years ago. He has made many friends during this time. Sheldan is treasurer of the library club this year and has been a lot of help for the track team. When he finishes high school, he would like to attend Ohio University. I'm sure Sheldan will be welcome anywhere he goes. He has a friendly personality and is glad to help anyone if he can.



MARTHA BOYDEN

Library Club 1,2; Latin Club 1; Glee Club 1; Chemistry Club 3,4; French Club 3,4; Vice-President of class 2; President of class 3,4;

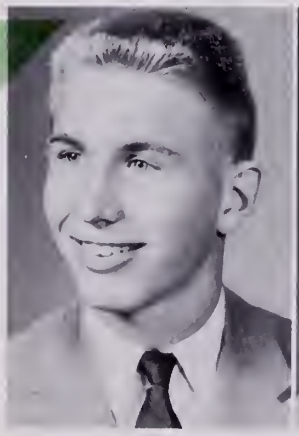
May I have your attention! Yes, you've guessed it is none other than Martha calling for the senior class attention. You can find Martha around the halls at lunch time ready for a laugh.

Martha plans to carry her warm smile and energy to Madison College next year. We know you will succeed.

JOHN MALCOLM BROWNLEE

Library Club 1; SCARLETTER Staff 1,2; Latin Club 1,2; Honor Court 3,4; Boys' Monogram Club 3,4; French Club 3,4; CRYSTAL Staff 4; Secretary of Honor Court 3; President of Honor Court 4; Football 1,2,3,4; Basketball 1,2,3,4; Baseball 1,2,3,4.

Who is that tall, blonde-haired boy we see lumbering around the halls of L.H.S.? Why that's no one else but Malcolm Brownlee. He's one of our better students and he also participates in all of our sports. Malcolm is head of our Honor Court and is liked by one and all in school. Here's luck to a boy who will long be remembered at Lexington High School.



RONALD KEITH BRYANT

Library Club 1; Monogram Club 2,3,4; French Club 3,4; Honor Court Representative 3,4; Vice-President of Class 4; Football 1,2,3,4; Baseball 1,2,3,4; Basketball 2,3; Track 3,4.

L.H.S. is losing one of its really great fellows this year. He is Ronnie Bryant. Ronnie has been active in school functions. Taking part in everything from football to serving on the Honor Court, Ronnie has made many lasting friendships. Not only has he done excellent classwork in all his subjects, but he has influenced others to do so as well. I am sure that Ronnie will be as successful in whatever he endeavors to do after leaving school as he has been in school.

HOWARD THURMAN CARTER
"Sonny"
Science Club 4; K.V.G.

Sonny is well-known throughout L.H.S. and has gained lots of friends during his four years here. Although he has only taken part in the science club and K.V.G. in high school, he has many outside interests. Sonny will be missed by all next year, so here's wishing him the best of luck in the future.

CARLTON CLARK
Crafts Club 1,2,3; Football 3,4.

Who is the big boy coming in and out of the football game? It's Carlton Clark, the big boy who has helped the football team so much this season. He is the boy who has the big smile in the hall for everybody. Carlton has been a favorite of everybody for the four years he has been here. Carlton has been an active member of the Crafts Club. We all agreed that Carlton will be a great success in whatever he undertakes.

EARL FIX
Crafts Club 1,2; Football 1,2,3.

"Here comes UHL Frazer!" "Stop yawning, Earl!" That's the battle-ery that is heard when Earl Fix comes down the halls or is in Miss Hamilton's senior English. Earl plans to enter the Navy and be a slob--er---gob. He's always sticking his head under the hood of a car to see if it's o.k. He has been quite a character around Lexington High, and we all wish the top 'o the world to his future!

NANCY DOOLEY
Glee Club 1; FHA 1; French Club 1.

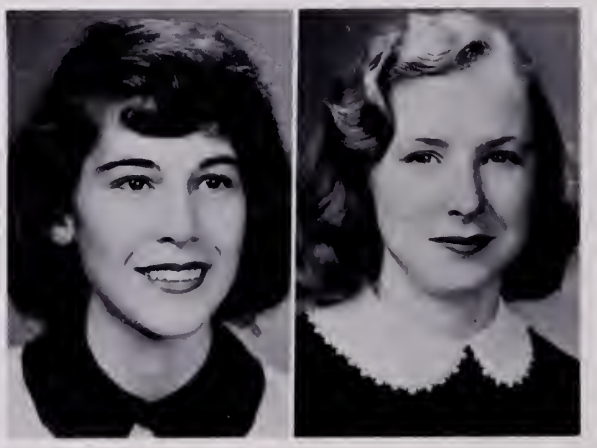
There couldn't be a harder working girl in all of L.H.S. than Nancy. She always does her very best. She has a sweet smile for everyone and she has the ability to get along with others well.

JOYCE FLINT
FHA 1,2,3,4; Vice-president FHA 3,4.
She's quite a girl! That is what you will say after you get to know "Joy." She has been very active in her home economics training and will soon put her training to a good use. You may think she is rather quiet but she possesses an outstanding personality. Also noted for her warm heart, she is respected for her friendliness. In saying farewell, all LHS wishes you "joy."

ELIZABETH WARREN GOODMAN
Library Club 1,2,3,4; Latin Club 1; Girls' Monogram 2,3; French Club 3,4; Crystal Staff 4; Secretary-Treasurer of Latin Club 1; Secretary of Library Club 2; President of Library Club 3; Secretary-Treasurer of Senior Class; Varsity Basketball 1.
If you think you have troubles, you ought to hear some of the predicaments "Isabeller" can get herself into. Here's a "sweet old-fashioned girl!!?" whose personality will get A-plus in anyone's grade book. So here's saying good-bye to a gal that's got a general over-all weakness for V.P.I. life-guards, and "Tuckyhoes".

ALICE JEAN HICKMAN
Science Club 3,4.
If you are looking for a blond to help you with your ailments, you then search for Alice. You will probably find her experimenting with new formulas in the laboratory. Although Alice came here from Big Island, she was quick to adjust to a new school and friends. Alice will be missed by all next year, (especially a junior). Best of luck in nursing, Alice.

MARGARET ELAINE HARLOW
Glee Club 1.
There couldn't be a nicer girl than Elaine at L.H.S. She's the quiet type but has a pleasing personality which helps her make friends with everyone. We wish you farewell and good luck in the secretarial world.



WANDA JOHNSON

Latin Club 1; Glee Club 1,3,4; FHA 1,2,3,4; French Club 3,4; Song Leader for FHA 1,2,3,4; Secretary of FHA 2; Scarletter Staff 3; Cheerleader 4; Monogram Club 4; Executive Committee, Sec.-Treas. of Student Body 4; Sec.-Treas. of class 3; Student leader in Physical Ed. Class 3 and 4.

If you ever need a song bird or an organizer, "Wannie J." is the girl for you. She is usually hard to find, however, as she is in so many things other than school activities. This year she has participated in numerous community and Church affairs. Once she begins a project she never stops until it is completed. Wanda has yet to decide definitely on a college, but we, her friends at L.H.S. know it will be a very fortunate school that gains her presence.

BILL LACKEY

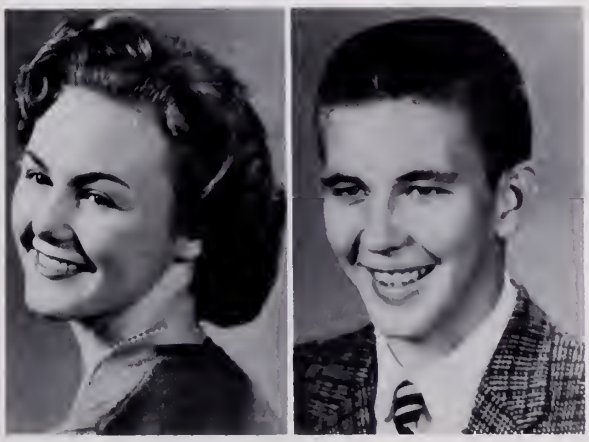
President of Class 1; Secretary of Class 2; Vice-President of Student Body 3; President of Student Body 4; Monogram Club 2,3,4; Football 1,2,3,4. Basketball 1,2,3,4; Baseball 1,2,3,4; Track 3,4.

Everyone knows Billy! He is President of the Student Body and has excelled in football and baseball. Besides his many activities Billy has maintained a high academic average. Good luck, Billy, next year at V.M.I.

NAYDENE LONG

FHA Club 1,2,3.

Looking for someone to cheer you up! Then, Then, it could be no other than our charming blonde, Naydene. Talkative, Yes, if she ever arrives on time. L.H.S. will surely miss your bright smile around the halls, but we all know that her smile will brighten up some other place. Wishing you loads of happiness, Naydene, and we know you will succeed in whatever you do.



OSCAR MABRY

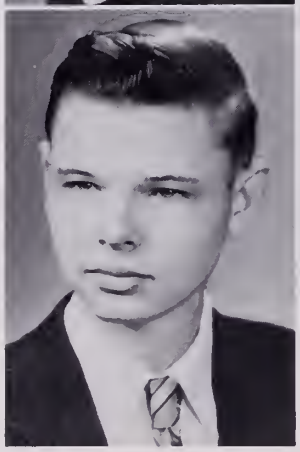
Library Club 1,2; Monogram 2,3,4; Crafts Club 3; Scarletter 3,4; Football 1,2,3,4; Baseball 1,2, 3,4; Basketball 1,2,3,4; Track 3,4.

Oscar! Why, he's the boy over there with a cast on his arm, a smile on his face and surrounded by a group of girls. Oscar has been outstanding in Basketball and Baseball here at L.H.S. Next year he plans to attend V.M.I. where he is certain to succeed.

FRANCES MAYS

FHA 1,2,3,4; Glee Club 1; Crystal 4; Secretary FHA 3, President 3,4; Secretary, Vice-President of Skyline Federation 3,4; Basketball 1.

That cute brownette who has the honor of being the president of the FHA is particularly fond of Mercury cars, VPI, and a certain boy we all hear a lot about. What is she going to do in the future? Well, if you can't guess, just ask "Franny."



FREDDY McKEMY

Crafts Club 3,4; K.V.G. Firefighters 4.

Well, here's a boy we all know for his pleasant smile and happy face. I'm sure we'll all remember him also for his simple "Hi You" when greeting his friends in the halls of Lexington High School. All of the seniors in Miss Hamilton's first period English Class will also remember him for his good memory of names and authors. As far as we know Freddy is planning on going to college somewhere next year. However, we all wish him the best of luck wherever he may go or in whatever he may try to do.

RONNY McNEMAR

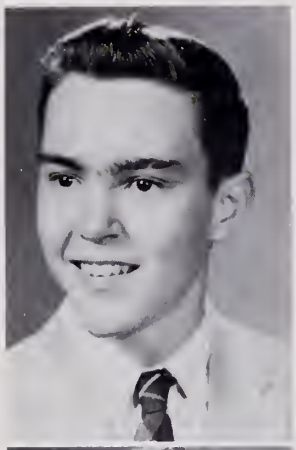
Vice-President of Class 1; President of Class 2; Vice-President of Student Body 4; Library Club 1; Monogram Club 1,2,3,4; Executive Committee 2,4; Chemistry Club 3; French Club 3,4; Crystal Staff; Baseball 1,2,3,4; Track.

Who is it that has a sparkling personality that has won him innumeral friends both in and out of school? None other than our own "Ronny". Ronny is the type guy you can always have fun with, but when there is some work to be done, he is right there to lend a helping hand and to provide a good bit of advice. When Ronny enters V.M.I. next year, we know that he will succeed there as he has here at L.H.S.

OSCAR PLOGGER

Monogram Club 2; Crafts Club 2; Football 1,2; Baseball 2.

Oscar is known as the last of the "Chine drivers." Walls owns the last Model A left in school. Jack was a good football player in his Career. We will all miss you, but we hope we can hear the sound of the mighty hot rod as it takes you on your journeys.



KURT RIEGEL

Latin Club 1,2; Scarletter Staff 1,2,3,4; Science Club 2, Vice-Pres. 3, President 4; Chemistry Club 3, President 4; Dramatics Club 3.

Need an efficient student with personality, good-looks and brains? Need an editorial or sports writer? Yes, there is but one senior who fills all of these qualifications. Kurt, of course. Lexington's loss will be a college's gain, but our class will always remember Kurt.

BETTY JANE RILEY

FHA 1,2,3,4.

That little cute red-head is none other than our Betty Jane. Silent, yes, that is her, but always willing to help and she really can do things in a marvelous way. We are confident that you will succeed in your nursing career, Betty.

PATRICIA ELOUISE STEELE

FHA 1,2; French Club 3; Library Club 4; Pep Squad 4; Crystal Staff 4; Basketball Team 1.

Who is the cute gal so full of energy? It's no other than our "Pat". Pat loves sports, especially basketball, and she can be seen at any of our school activities. Here's to a wonderful girl, all the luck in the future years to come.

HUNTER MORGAN TARDY

Latin Club 1; Library Club 1,2,4; French Club 1; Track 3,4;

Here's a boy who is one side Roger Bannister, for L.H.S. has produced an expert in the art of running the mile. He is proficient along more intellectual lines, too. We feel sure that Morgan will shortly boast of a Ph. D. in history, and to him we wish the best of luck. Knock 'em dead, Morgan!

PATRICIA ANN TOLLEY

Latin Club 1,2,4; Library Club 1,2,3; Scarletter Staff 1, Business Manager 2, Club Editor 3,4; Chemistry 3, Sec.-Historian 4; Editor of Crystal; Glee Club 4; Dramatics Club 4.

Dependability, a willingness to help everyone, and a good sense of humor are only three good characteristics of our "Trish". Not only does she take an active part in school functions and makes grades of B in all her classes, but she is also a steady youth worker in the Methodist Church. With that wonderful smile and warm heart Trish will go far in life and make many friends.

THOMAS ANDREW TROXELL

Crafts Club 4.

Well, here's a ducky boy who really knows his way around. If you hear a deep male voice in the middle of a crowd of laughing girls, you immediately know Tommy's there. He's a fine boy who has had the initiative to work after school in one of our local stores. So, with a tear and a cry we bid you good-bye, our one and only Tommy.

MADELINE JANE VEST

FHA 1, Reporter 2, Treasurer 3, Secretary 4; Vice-President of Junior Class.

Madeline will always be remembered at L.H.S. as one of the main sparks of the class of '57. Since her arrival at Lexington, Madeline has taken an active part in many organizations. With her sparkling personality she has won the hearts of all the teachers and students at L.H.S., as well as that of a certain Kerrs Creek guy. Whatever your plans for the future may be, Madeline, we wish you all the success in the world. Although you may leave us in June, you will remain in the hearts of all the students for a long time to come.

BETTIE CAMPBELL WAYLAND

Junior Varsity Basketball 1; FHA 1, Historian; Sec.-Treasurer of Freshman Class; Scarletter Staff 1, Circulation-Manager 2, Managing Editor 3, Editor 4; Pep Squad 2,3.

If ever in need of some good advice, then Bettie Wayland is the person to see. Although quite active in her school responsibilities, such as being the editor of the Scarletter, she still manages to keep up with V.M.I. and its activities. L.H.S. will be losing a wonderful girl and student when Bettie graduates. We wish her the best of luck in whatever her future may hold.

# SENIOR HISTORY

It was back in the "olden days" (or was it before that?) that the class of 1957 entered the halls of LHS for the first time. It was our first experience with such a wild bunch of people, and we thought we must certainly be dwarfs, judging from the massive upperclassmen that surrounded us. After not a few trips to a convenient trash can (convenient to the upperclassmen) we set about electing our class officers. They were Billy Lackey, president; Bill Bowes, vice-president; Ronny McNemar, secretary-treasurer; Bettie Wayland, Honor Court representative.

Every year we are greeted by the sound of a bell, which very ingeniously notifies us when classes are to start and end. As usual friend bell sent us scurrying to elect the following freshman officers: Billy Lackey; president; Ronny McNemar, vice-president; Bettie Wayland, secretary-treasurer; Felix Sanders, Honor Court.

Making eighth graders run errands for us was the main pleasure in 1954, our sophomore year. Then our officers were Ronny McNemar, president; Martha Boyden, vice-president; Billy Lackey, secretary-treasurer; Felix Sanders, Honor Court.

Drunk with power when old faithful rang us into Miss Morrison's Junior home-room, we eagerly anticipated the Junior-Senior Banquet and Prom, and longed for December, when we received our class rings. The following were our officers: Martha Boyden, president; Madeline Vest, vice-president; Wanda Johnson, secretary-treasurer; Ronny Bryant and Malcolm Brownlee, Honor Court.

Ah! The dignity of being a Senior at last. We are looking forward to our Junior-Senior Banquet and Prom, mainly because it's in our honor, and there will be no work for us. That is not so for our other goal--the trip to Washington. Heralding us through this year, our officers, Martha Boyden, president; Ronny Bryant, vice-president; Elizabeth Goodman, secretary-treasurer; and Gloria Alphin, Malcolm Brownlee, and Ronny Bryant, Honor Court, have done an admirable job.

Our graduation almost at hand, we bid a fond farewell to LHS, its students, and its faculty. We hope we will not be forgotten in the near future.

The "Scarletter", which is the school newspaper, is a four-page publication printed eight times a year. During the summer months staff members solicit from local merchants the advertisements which are the basis of financial support for the paper. Moral support for the "Scarletter" comes from the many students who subscribe to it and from the staff members who faithfully write articles each month to make the paper a successful undertaking.

The Latin Club has been very active this year, as the members of the club have relived some of the exciting Roman holidays. At the beginning of the school year the class was divided into committees, each to study some phase of Roman life and give a report on what they had learned at the club meetings. At Thanksgiving the club had a cornucopia filled with fruits and vegetables labeled in Latin. A Roman cake was also made and the class enjoyed a small Roman feast. For Christmas the students made Christmas cards with Latin greetings. Plans are being made for interesting programs for the remainder of the year.

The L.H.S. football team started practice on August 25. The Hurricanes were without thirteen lettermen from their 1955 district championship team which lost no district games.

On September 14, the Scarlet Hurricane avenged their only loss of the 1955 season with a 28-7 win over Harrisonburgs' Blue Streaks in a non-district game. Harrisonburg scored first but the Hurricanes tied the score in the second quarter and dominated play in the second half.

Lexington lost its only game of the 1956 season on September 21 in a 34-6 loss. David Huffman provided the only bright spot for the Scarlets with a ninety-one yard kick-off return for a touchdown.

Lexington slaughtered a weak Central team 40-0 on September 28 in Lexington.

Lexington downed the Leemen from Staunton High School 39-6 on a muddy field in Staunton on October 6. Seven players figured in the scoring column for L.H.S. with Jimmy Chittum getting two touchdowns.

The Hurricanes defeated a stubborn Wilson team 27-0 on October 12 at the Recreation Field.

On October 12 L.H.S. won again, this time from Buchanan 39-6 in Lexington. It was the Hurricane all the way.

On October 22, L.H.S. met Waynesboro's Little Giants in the rain on a water-saturated field in Waynesboro. Waynesboro scored in the opening minutes of play and led until the last three minutes of play when Leon Hartless scored for L.H.S. to tie it at 13-13. Then Bill Swisher booted the extra Point to give the Big Red a 14-13 victory.

On October 26, it was all for Lexington although Clifton Forge scored first. The Hurricanes turned the contest into a 46-6 slaughter.

L.H.S. closed out the season with a 39-6 win over Buena Vista. Huffman, Lackey, and Hartless led the scoring for the Hurricanes.

Lexington finished in second in the district with a 8-1 record. Four players, Ronny Bryant, David Huffman, Jerry Brown, and Bill Swisher were chosen to the all district first team, while Billy Lackey and Malcolm Brownlee made the second team and Ronnie Ayres and Carl Brown received honorable mention. Twenty-nine squad members received monograms on January 9. The Hurricanes will lose thirteen men again this year and will have to build almost an entirely new team next year.
